*****2007 – A Great Year*****

by Len Cymbal, President, WRCC

Well 2007 has drawn to a close and WRCC has made some major strides in our ability to maintain our flying site in pristine condition, as well as a few well attended events! We plan on another President's Day Fun Fly in June and possibly something later in the summer to get everyone out.

At our November meeting our 2008 executive was elected through acclamation and a vote for the new Treasurer replacing Richard who stepped-down. Your 2008 executive and committee chairs are as follows:

President – Len Cymbal

Vice President – Kevin Nebroski

Secretary – Daryl Martel

Treasurer – Ian Pratt

Field Maintenance – Kurt Kuerten

Safety – Jack Jansen

Helicopter – Mark Jurevic

We have a number of projects for field improvements that have been informally discussed including providing 110 volt and 12 volt power to the pits, but we'll need volunteers and materials donated that probably are laying around in our garages I.E., 14-2 wire, conduits, PVC pipe, weather proof outlets etceteras. Be sure to get out to our meetings to see how you can help make this another great year for the club.

We want to get a BB-Q for the field this year and we will be looking at ways of raising money through special little fund raisers during the Winter at our meetings. If you have ideas come out to a meeting and throw it out there and see if it flies!

For 2008 we will be strictly enforcing proof of MAAC membership at the field, so ensure you are paid-up and have proof of MAAC and WRCC membership on your person at all times when out flying, this is a condition of our MAAC Club Liability Insurance and there will be no exceptions. We will be accepting payment for MAAC and WRCC at our January 20th meeting, club membership renewals will go up to regular price (\$60) effective February 1, 2008, until the end of January WRCC renewals for 2008 are \$50.

Be sure to check out all the 2008 pictures on our website:
