5:30 PM at The Round Table

by Len Cymbal, President, WRCC

A big thank you to all who made the effort to make the meeting on Sunday January 21, 2007. We had an excellent showing of 47 members including your executive. We accomplished a number things that will improve the aesthetics of our field as well as ahem, our personal comfort. The minutes are included at the end of this newsletter, but to summarize items ratified at the meeting include:

- Completion and sign-off of an audit of our 2006 financial records, a big thanks to Ian Pratt for doing this for WRCC.
- Unanimous approval for the rental of a "porta-potty" starting May 1 until October 31. We will retain the current facility for flying outside this time frame.
- Unanimous approval for our Winter Supper for all to get together for some great food, and greater tales of flying prowess. See the details later in the newsletter.
- All agreed to hold our annual Swap Meet February 18, 2007 at the Aviation Museum. See the poster later in the newsletter, and feel free to put our poster up to promote the sale. To ensure you have a table for all your awesome deals, contact Rich Desrochers to reserve a table. Yours truly will be holding a "President's Day" Bar-B-Q and day filled with crazy events for all experience levels on Sunday June 10th. There will be trophies and prizes, even an event for the kiddies to participate in. Details will follow in our March newsletter, but there will be crêpe paper, break-apart Easter eggs, candies, stop watches etceteras involved.
- Darin Wach has graciously offered to make 4 more hold-backs for the pit area, unfortunately we had a couple of our hold-backs hitchhike home last summer. If you find one in your trunk please just leave it in the lock-up, I did this once myself, oops!

I look forward to seeing many at our dinner on February 10th and I will bringing some of my hidden stash to pick-up some great deals at our swap meet, see you there!
